

# HOW TO VOTE SAFELY IN 2020

## FEELING WELL?

### HOW TO STAY SAFE IF VOTING IN PERSON:

- ❑ **avoid unnecessary lines** and delays by preparing beforehand
- ❑ check you have all the necessary **documents** on hand
- ❑ fill in any necessary **forms** in advance, if possible

- ❑ practice **physical distancing** at all times, maintaining a distance of at least 6 feet from others
- ❑ **avoid standing in line** as much as possible by **voting early**, if possible or going to the polling station at an **off-peak time**

- ❑ **wear a face mask** (unless you are unable to do so for health reasons)

- ❑ **use a hand sanitizer** (at least 60% alcohol content) before and after touching objects and surfaces; wash hands where possible

- ❑ **bring a black pen and e-stylus** for voting to avoid using those provided at the polling station (you may have to check with the polling station whether this is allowed)

### HOW TO STAY SAFE IF DROPPING OFF A MAIL-IN BALLOT:

- ❑ if you have to wait in line, **practice physical distancing**, maintaining a distance of at least 6 feet from others

- ❑ **wear a face mask** (unless you are unable to do so for health reasons)

- ❑ **use a hand sanitizer** (at least 60% alcohol content) before and after touching objects and surfaces

## FEELING UNWELL? SOME BEST PRACTICES

- ❑ stay at home to protect yourself and others, and use alternative means of voting

- ❑ check **absentee voting options** available in your state here:
